These will be held over to the February, 2021 meeting.

Treasurer's Report

The report was given by Cheryl Crowdson, Treasurer. We currently have \$1019.77. Dues are needed as soon as possible. To maintain our current meeting level with the MFTHBA we need at least 20 members who also belong to that organization. (Several members paid after the meeting)

Motion to accept the report was given by Marilyn Stoll and seconded by Betty Horn. No dissents noted.

Old Business

Clinic-

This had been postponed due to the virus

We will go forward with this in 2021. Jennifer West will see if Bright Star is available and if Pat Aubuchon is available as the clinician. We will formalize plan after the 1st of the year.

Other Fundraisers

We need out of box ideas—after a discussion it was decided this is a moot point at this time due to COVID.

New Business

Acceptance of new officers was done on a motion by Meghan Curless, seconded by Cheryl Crowdson. The President thanked everyone who volunteered to be on the ballot as either an officer or member of the board. It has been a difficult year due to the COVID issue.
