## From The President

Fellow Officers and Members of the Illinois Fox Trotter Horse Association, The Illinois State Fair Society Horse Show was a big success again this year. Our Missouri Fox Trotters drew a lot of attention - everyone wanted to pet and ride them. Please check out our Website on the event page and see all of the updates that have been going on. I wanted to remind everyone that the entry fees for the World Show and Celebration held in Ava, MO September 6 - 12, 2015 have all been donated. All we have to pay are the DQP services. Unfortunately, the horse sale that was to be held there and hosted by Adams Auctions has been cancelled this year due to lack of entries. There will be a ride and sell event at 10 a.m. on September 12 in the Dale Esther Arena. This will be a private treaty event. If you have anything that you would like to advertise or tell us about please send it to our secretary or to me and I will forward it to her. Our website is just that - it is ours to let everyone know about that saddle or horse for sale and, of course, that new foal that was just born. Baby pictures are the best to look at as they are so cute.

Your President, Betty Ann Horn

## Illinois State Fair Society Horse Show

For thirteen to fourteen years, my personal goal was to win the Illinois State Fair Society Horse Show Missouri Fox Trotter Performance Championship class. On Saturday night, August 22, 2015 "Susie" and I won - Mission accomplished.

I drove to Abilene, Kansas the week after last year's state fair to pick up our mare "Susie" - King's Sunrise Susie D. We are getting better. She is a very natural horse and easy to get along with. We are very fortunate or blessed or whatever it took to get four first places, one second and one third.

To help fill the youth classes I overheard some Morgan people talking about my horse as we were warming up. I rode over an hour later and asked if they had anyone under 18 that was interested in riding in our youth class. After talking with their trainer and assuring them the horse was drug free and safe, the girl climbed on and rode off with a smile. With only about thirty minutes of riding Candace Rich of Marthasville, Mo placed 2<sup>nd</sup> in the youth class and had a great ride. The whole family was very pleased including the trainer.

I also probably let five other small children pet and love on "Susie" that had never touched a horse before. The highlight being a black family with a child that had never ridden a horse. He rode my "Susie" right before the Championship class. The young man was smiling so much I thought his face was going to break. His parents could not believe I took thirty minutes of my time to spend with them to talk about Missouri Fox Trotters. So I think Dehner Stables made a new set of family friends.

Candace, who got second in the youth class, was one of the first people that came over to congratulate me after we won the Performance Championship. I told her she trained the horse well for me that afternoon. It was a very emotional time and dream for me with lost ones weighing heavy on my heart in memories.

My goal is to win a garland at Ava, MO during the World Show and Celebration. Personally I will keep showing, but with what I won this past week I could almost care less if I ever show again. My mission was accomplished. I would like to thank all that participated in the Illinois State Fair.

I am glad to see new young members taking positions with the Illinois Fox Trotter Horse Association. Anything that I can do to promote this breed especially in Illinois; I am available. Dreams do come true. It's been a long ride and a lot of rides and time to make it. Looking forward to seeing you all on the trail or in a show ring. I will still be there for awhile - God willing. Thanks to all who cheered us on especially my wife, Yvonne. Her helpfulness does not go unnoticed nor do I take it lightly.

Have a great Foxtrotting day. Dream Big - it's yours to do.

Jeff Dehner & Susie

## Overheard in the warm-up arena:

"My horse has no forelock." Another person said, "Let the bridle path grow out and do a comb over." :)
