### From The President

Hi everyone, I would like to take a moment to thank everyone that voted recently in the election. We have a small club but big possibilities for growth! I am excited to serve as your new president and although Betty Ann Horn left some pretty big shoes to fill I am excited to embark on this new adventure with everyone.

My number one goal as President is to grow the IFTHA. With over 1,000 registered Missouri Foxtrotter owners in our great state of Illinois the IFTHA has just a little over 50 members. When I learned this I was shocked! We have a wonderful breed of horse and there are so many versatile aspects to our Foxtrotters. I am encouraging everyone to talk to their fellow Foxtrotter owners and encourage them to join the IFTHA and in a unified goal we can become bigger and better.

Owning Missouri Foxtrotters and joining the IFTHA is not all about showing. While talking to several Foxtrotter owners they were under the impression that the IFTHA was strictly for showing at the Illinois State Fair. The Illinois State Fair is a wonderful event and my family always has a great time but we do so much more with our horses than show.

As a member of the IFTHA we would love to hear your input! We have several trail rides planned with the 1st one being on 10/31/2015 and 11/01/2015 at Site M. There is Christmas party in November and we have a clinic planned after the cold weather has ended. The IFTHA would love to hear what everyone does with their horses. I know there are mounted shooters, cattle ropers and barrel racers out there on Foxtrotters so lets see what we can do to accommodate everyone!

Once again I am honored to serve as the IFTHA president and I am always available if anyone would like to visit. Please feel free to call or text me at 309-370-6023 or shoot me an email at [sewardstables2002@yahoo.com](mailto:sewardstables2002@yahoo.com) I encourage everyone to visit [www.illinoisfoxtrotters.com](http://www.illinoisfoxtrotters.com) and learn all about the IFTHA!

Best riding to all,  
Larissa Seward-Malott

## Wolf Creek Trail Ride - Sept. 26th Hosted by Cheryl Crowdson

### Thoughts from Cheryl Crowdson:

We had a fantastic group, comprised of mostly members. Betty Ann Horn stayed in camp where we had a booth set up in case other riders there had questions about our wonderful breed of horse. Boo, my horse and I lead the group. Members that rode were Sue Bergandine, Hal and Janet Burgener, Val Jordan and her father-in-law Lyle Jordan, Brian and Larissa Malott, James McLeod (he joined at the ride) and Becky Whitfill. We had a visitor named Ed Horton also join us. We rode for an hour and a half along my favorite trails

which included time to gait our horses and enjoy hills, trees and meadows. We saw the lovely Lake Shelbyville at the overlook at the Capel Hill Prairie. (In the picture above.) Next we went to the beach. I couldn't get anyone to run their horse along the water so I could video them like you see in the movies. :) There were interesting trees along the way; some even had leaves starting to turn. One looked like a face - actually its kind of scary looking . Can you see it in the picture on the left? We even braved the skinny trails that probably began as a deer trail. We didn't see any deer or other wild animals, but I know they live there. I've seen deer, turkey, squirrels and raccoons on my rides. It's a fun park to ride in.

When we returned to camp, Betty Ann had everything ready for us to eat. We had smoked pulled pork prepared by my husband, Greg with either sweet or spicy BBQ sauce and everything from beans to jello to pumpkin cake - I can't remember everything. It was all delicious!! I even brought apples for the horses so they weren't left out. :)

Unfortunately, I didn't get a group photo taken of everyone so I don't have any of Betty Ann or Hal and Janet. I was too busy enjoying the lunch and visiting with everyone . . . I must do better next time!

The trails were freshly mowed and picnic tables were provided by the Wolf Creek State Park staff. Everything - especially the weather cooperated wonderfully! It took us a long time to have the ride as it was postponed from April 25th, but it was worth the wait. I'm hoping to make this trail head an annual event - so don't miss it in 2016!

## Wolf Creek Trail Ride - Continued ...

### Thoughts from Valerie Jordan:

Saturday, September 26th was a wonderful day for a trail ride so that is what several of the Illinois Foxtrotter's did. We met near Lake Shelbyville at Wolf Creek State Park in their equestrian campground. Cheryl Crowdson then led us on a ride in, out and around the lake. The views were outstanding. Taking all our Foxtrotters down to the lake for a drink, where the water waited calmly for us, was quite a sight. We visited several look out points over the lake along the ride. We didn't see any deer but I am sure there must have been some that saw us. After the ride we unsaddled our horses to let them cool. It is amazing how much winter hair they already have. We then enjoyed a potluck lunch that was highlighted by smoked pulled pork that was absolutely delicious! Thanks to all who had a hand in organizing this fun ride!

**Becky Whitfill** said: "Nice ride today! You put on a good one! Enjoyed!"

**Sue Bergandine** said: "We had fun today!" (meaning she and her horse, Danny)

### Thoughts from Larissa Seward-Malott:

A Fun Time at Wolf Creek

Cheryl Crowdson hosted a trail ride at Wolf Creek park and boy was it fun!

The riders and horses were eager to get moving and we started out at a brisk gait. The hills and hollars made for an interesting and exciting ride. My husband, Brian, at one point wondered if we were going to gait the entire time, but by the end of the ride he was ready for more! After a wonderful smoked pulled pork sandwich provided by Cheryl's husband, a few riders ventured out again, this
