From Our President

Hello Everyone,

It is time to pass the choice of power to a younger generation. I recommend we start using technology for those that must travel to the meetings.

Hopefully the Illinois State Fair class numbers will grow. Start planning to attend or show and encourage participation. Don't wait until next July.

People are looking for horses to buy and breed. Team sorting and team penning is growing. If you get a chance, check it out. Your support is needed and events need to change at major show grounds.

Now is the time to be reseeding your pastures. Fall is almost upon us. If you have not gotten your hay I would not wait until the last minute. Supply and demand could change the price.

Please help out this association any way you can. Encourage the new Officers. Be part of a solution, not a critic.

Some things need to go back to the basics. Kids and people have so much going on or they think they do as they say. What have you done today to make your breed horse family and yourself happy? Life is short make a change to the positive.

Jeff Dehner

Diamond Gait Stables

proudly took five Missouri Fox Trotters to the Illinois State Fair this year
We had three youth riders with us that did amazing! Here's a little about our crew

Sara, 8 and Dolly took home 1st in the Model Mare; 3rd in Youth 2-gait and Performance

3 gait; 5th in ladies 2-gait and the Championship class! What a year for this team! They have worked hard and had fun too!

Cameron, 8 and Rusty took home 4th in the Performance 2 gait, youth 2-gait, and 5th in the stallion and gelding Model. Cameron had a hard spring riding a new and younger horse. She began riding our Rusty and the two clicked! We are so proud of this girl! This was her first "big" show and she handled it extremely well!

Lauren, 13 and her new horse Twizzler did something amazing this year! Twizzler is a 2013 mare that was bought this spring. With hard work and dedication this team brought in 2nd in model mare, 3rd in Land of Lincoln Model, and 5th in the Youth 2-gait. Lauren and Twizzler made great progress and Lauren is excited for their future showing career.

Our trainer, J.D. Otey, showed Widowmaker, our 4 year old MFT stallion. He had loads of new experiences and made us proud! He took home 4th in the Stallion and Gelding class; 6th in Model and Land of Lincoln Model and 7th in the Performance Championship class! Widow has a lot to learn but a very promising future!

Our instructor, Danielle Otey, and her horse Tornado had an amazing time this year! They took home 1st in the Amateur Performance; 2nd in Land of Lincoln Model, Ladies 2-gait and the Mare class; 3rd in Model mare; and 4th in Land of Lincoln Performance! This team also took home the Performance Championship this year! Danielle is extremely proud of Tornado and cannot wait to see what's in store for next year.

We are proud of all of our riders! They practiced hard, did their best and had a blast. Congratulations to all of the riders and horses that participated and we hope to see more next year!!! Please come and support our youth at the Youth Charity Horse Show the first weekend in October. **If anyone would be interested in sponsoring a class, please call or text Danielle Otey at 1-309-357-2746 by August 31, 2018.**

Presidential Candidate Biography

Hello all!!!

I am running for your President this year and wanted to tell you all a little about myself. I was raised in Havana, IL where I currently live. I am married to J.D. Otey, who has been around Missouri Fox Trotters his entire life. I was introduced to the breed about six years ago and fell in love! I couldn't imagine riding any other breed! I am an EMT-basic with Fulton County Medical Association. I am a few weeks away from taking my state paramedic test. I have had a very busy year! My husband and I recently took over Seward Stables in Havana formerly owned by Larissa Seward-Malott and made it our own. We renamed the business Diamond Gait Stables. We have a lot of big changes in the future for our business! J.D. and I currently own 6 horses with 2 babies on the way! We have one stallion, Sensation's Diamond Widowmaker, who is open to breed outside mares! We offer an onsite Farrier along with boarding, training, clinics and in the near future riding lessons. We are a big youth supporter and have three girls that show Missouri Fox Trotters that board with us. I would be honored to serve as your President and hope I can make a positive impact on this club!

Sincerely,
Danielle Otey

EDITOR'S NOTE: Please let Cheryl Crowdson know if you would like to run for President, Vice President, Secretary, Treasurer or 3-year Board of Director. She'll get you on the Ballot. Becky Whitfill's Red Rock Ride

In June I had the extreme pleasure of experiencing this Trail Ride which started with a flight to Las Vegas and an overnight stay in a hotel where that evening we were met by the owners of the ride for a brief meeting to give us the itinerary. There were 39 riders on our trip. We got up early and loaded all our bags on a big tour bus and were taken to meet our horses and our wranglers at Zion National Park where we rode the Canyon Trail. After our ride we got back on the bus and were taken to our cabins in Utah. All meals were provided and the food was wonderful and plentiful! Each morning we were loaded onto the tour bus and driven to a different location where our

horses had already been taken and were waiting on us. We rode in Bryce Canyon National Park, Red Canyon trails doing Butch Cassidy and Thunder Mountain trails, then to the Grand Staircase-Escalante National Monument riding the Paria River Canyon trails and to the Grand Canyon National Park where we traded our horse in for a mule to ride the North Kaibab Trail to the Supai Tunnel. Words cannot describe the beauty of the scenery, the wonderful proprietors of this ride and our wranglers, the great food and wonderful treatment of us while on this ride. It's a not to be missed trip of a lifetime that I highly recommend. I could go on and on but I was asked to write a "short" blurb for the newsletter so I had to leave so many wonderful parts out. If you are interested, you too can partake in this 6 time a year trip. The ride is limited to 40 riders and the sign up is online one time a year with the spots filling up in 20 min. It is so spectacular that many people do this trip multiple times. For more information Google Red Rock Ride in Utah or find them on Facebook also!

Michigan Shore to Shore 2nd June Ride June 16-30, 2018

Where to trail ride since it was so hot in Arkansas? We decided to head to the 2nd June Ride in Michigan where every couple days they have a layover day to rest and sightsee. So after the Spring MFTHBA Show at Ava, Mo, we headed North, stopping in Illinois at Altamont horse camp for the night. Heading into Michigan we again stopped for the night at Bittersweet in Niles, MI. After visiting friends and relatives we headed up the coast and visited with more friends and laid over a couple days.

We arrived at Garey Camp a couple days early and circle rode with Rode and Ginger and visited with other riders. Finally the morning of Saturday June 16th WE'RE OFF- headed to Lake Michigan with thunder and spotty rain! 10.2 miles - the horses were fresh and eager to go and easily gaited on the rain packed sand. Through the forest on a 2 track - Donna, the candy fairy had again rode out early and left candy on posts, signs and trees, so we munched on our Snickers and Milky Way and laughed and talked. Beautiful scenery of flowers, hops fields and tall trees - beautiful trails with leaves dripping with water - a couple of deer stared at us from way down the trail till we got close then poof! off they went into the forest! We rode past the **Empire Village sign** and rode through town into the water of Lake Michigan - 1st day done as we head to the parking lot to load up and head back to camp!

Sunday was Father's Day and what a beautiful day it was! Beautiful forest trails and a few sandy roads then back on the **trails covered in ferns** past Lake Anne to Lake Dubonnet, which is so pretty!

Monday it was pouring rain but not real cold so off we go and like others found out our new rain gear needed rain gear! Finally quit raining and the hot sun came out and dried us out. Music tonight was fun as it was Jimmy's Birthday so there was pie and ice cream for everyone. Love our musicians - Jimmy, Bob, Susie, Alicia and Lee and we all sang too!

As the ride progressed we saw deer, squirrel, woodchucks, porcupines, all kinds of birds plus some saw badgers and a cat - glad we missed those two! The evening meetings given by Gale, were very informative and Diane treated us to fun games and handed out candy - it sure was fun - more music, singing and s'mores - laughter and talking all around for a good time!

I got to ride the MTRA bus for the first time! We went to town with Barb and a group to get gas and stopped to eat at a pizza place. It was the first time I had ever left a camp while riding as Lee is our Rig Jumper - and found out there was a whole big world out there just miles away from our forest camps! WOW!

With layover days we got to sample some of the areas foods - Rode brought us some wonderful Cinnamon Rolls from an Amish bakery in town, giant burritos and fish were all good too - But the riding - WOW! - Mayhem Swamp, a wet 2 track through the marsh - **The Boardwalk** - clippity-clop over the swamp - Manistee and Au Sable Rivers are cold, clean, clear and gorgeous!

Awards night - It was Diane's 50th RIDE - cake, fun and a beautiful trophy made for her by Al, her husband. Barb and Terry will get their 50ths on the Criss Cross in September and Rose will get her 90th trophy! Congrats to them and all the riders! Several awards we handed out. Lee and I got awards - NIFTY NIPPERS - for clipping and I got a brand new pair of Fiskars because I lost mine by the river - awesome! And I used them the next day as we headed to Lake Huron, then into the water and over to Gale to pick up our trophies and say our goodbyes.

Are you ready for the Criss Cross? Sept 7-30 you can ride all or part of the ride, every day or skip some. Check out www.mtra.org for more info and they have a Facebook page also.

Happy Trails, Cindy & Lee

First MFTHBA Poker Run

Are you interested in combining your love of horses, obstacle challenges, and cards into one fun-filled activity? Start getting your horse ready for the first MFTHBA Poker Run hosted by the MFTHBA Membership Committee.

"MFTHBA member Susan Thomlinson sent me a message in July with a new idea for the World Show and Celebration. The rest of the committee agreed that it sounded like an event that everyone would love," shared Amy Stangl, MFTHBA Membership Committee Chair. "We hope that everyone will join us at the Fox Trot playground for some fun and also a chance to win some money."

The rules of the Poker Run are simple - Each horse and rider team will have three chances at each of the 8 obstacles. A rider will draw a card for each obstacle completed. Riders are not permitted to exchange cards with other riders.

After all teams have completed the course, all riders will meet to determine the winners. There will be 2 opportunities for riders to win: **The best Poker Hand and The Highest Score**. For the Best Poker Hand, riders will choose the best 5 cards that they have in order to make the best Poker hand. Jokers will be wild. The rider with the best hand will win. For the Highest Score category, riders will count up the total of their cards using a pre-determined scoring system. The rider with the highest score will be the winner.

The entry fee for this event is \$20.00 with 100% of the entry fee going to payback. Plus, Wilson Farms Fox Trotters have added money to each category. :-)

Looking for someone who would be interested in doing shareboard with me on this beautiful mare. Board will be in Seymour IL. Full care \$350.00 a month and we would split it in half. We would split Farrier costs as well. The boarding facility has a large indoor arena for riding, outdoor arena and quiet roads to ride on.

Velvet is a 6-year-old Missouri Fox Trotter and very gentle. I would not recommend her for a first-time rider though. She has been shown her entire life, but has been on a few trails with groups of horses and does fine.
