## MEMBER NEWS

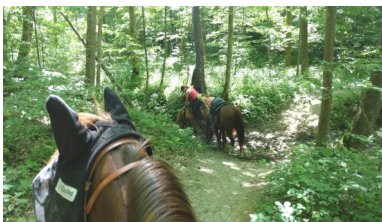

### **Cheryl Crowdson and Becky Whitfill rode at Midwest Trail Ride!**

On Wednesday June 7 Cheryl and Becky arrived at Midwest Trail Ride in Norman, Indiana. Becky arrived first and already had her camp setup when Cheryl and her friends arrived. Becky brought a neighbor girl Mackenzie with her. She rode her Quarter horse, but she was still a very nice young lady - we didn't hold that against her. :) Cheryl, Paula and Jan checked in at the Outpost and then went to their site to unload the horses and setup camp. They stayed in one of the cabins and the horses had covered stalls, right beside the cabin. Another friend, Sue, was staying in her horse trailer. She and Becky were at sites across from our cabin. Very nice accommodations were available for all. :) The only person in our group that had been to Midwest previously was Becky. THE WEATHER WAS PERFECT! Thursday we rode to the log church which had several hitching posts so we ate lunch there. It is a small country church that is still used. My, those benches/pews looked hard! On Thursday we decided to venture into the Hoosier National Forest. A \$5.00/day bridle tag is required, so we went to the Outpost to purchase them. The Outpost also has several items for sale, so if you forget something they may have it. On Friday and Saturday we rode several hours all over the Forest. We trailered out Saturday (the campground provided a reasonably priced shuttle service) so we could ride back to camp and never have to see the same trails twice. We saw some amazing scenery plus a Civil War cemetery. It was very difficult to make out who was buried there by the tombstones. Trails are wide, well groomed and marked and were hilly. It was Christian Trail Riders Retreat weekend. Each night they had clinician, Dr. Lew Sterrett, an international speaker and horse trainer presenting Sermon on the "Mount" at their new arena. Dr. Marty Langhofer, an equine Veterinarian and Dentist from Indiana, brought his staff and portable office if anybody wanted any dental work done. We had a campfire every night and solved all the world's problems :-)) Just a wonderful, relaxing, fun time and we met great people there too! We can't wait for our next adventure . . . Stay tuned!

## MFTHBA NEWS - Spring Show & 3 Year Old Futurity ([www.mfthba.com](http://www.mfthba.com))

### Several Members attended the show held at Ava Missouri June 6-9, 2017

J.D. and I attended the MFTHBA Spring Show and 3 Year Old Futurity this year. JD took his 3 year old stallion Sensation's Diamond Widowmaker. This horse and rider performed in the Open Stallion and Gelding class and they did amazing! I showed our ol' faithful Playboy's Yellow Jacket. This boy is a trooper! He ALWAYS takes care of me! It was such a great time seeing old friends and meeting new people! I loved to just sit and watch everyone warming up their horses. Of course we had to do some shopping! I think we visited Saddle n' Spur at least once a day! Who doesn't need multiple color options? We can't wait to make it back to Ava!!!
